

# IMPORTANT QUESTIONS

## //1 WHAT IS THE NEED?

Our ministry has operated out of a school building and other facilities for the past seven years, "Now Is The Time" for BCC to acquire a permanent worship facility. A worship facility with office and meeting space along with full and part time staff will create an environment for continuous growth. Our children and youth ministry is certainly one of our primary concerns and reaching our community through this new facility would allow us to bless this generation of youth and many generations to come.

## //2 WHAT IS THE TARGET?

Our plan, as priced currently, will cost approximately \$1Million. We are trusting God and asking the church, friends of BCC, family and associates to commit this amount; to be given over and above your regular offering.

## //3 WHAT IS THE PLAN?

1. Expand our community outreach which now includes, our youth ministry, ministry to single moms, women's ministry, men's ministry and celebrate victory (substance abuse ministry). 2. Continue to provide transportation to those in need from our local homeless and battered women's shelters. 3. Continue to support World Vision in their efforts in Haiti, Africa and around the world. Support local ministries and pastors as they plant and grow emerging churches.

## //4 WHAT IS THE WIN ?

Our various ministries win by having the classroom space necessary to allow them to learn about the love of Christ. This facility will provide space for future growth and makes it possible for us to invite our community to participate. Children in our region win by having a community center nearby where they can learn, grow, and prepare for the future, all in the name of Christ. This facility will allow us to put in permanent programs that will bless our community, our children and give us a foundation for which we can reach the world.

## //5 WHAT IS THE IMPACT?

An effective and successful stewardship campaign will result in the transformation of our ministry from a start up church to that of a fully functional established ministry with a life altering vision for this community. This facility will allow us to impact the culture through training classes for children and adults alike. Your faith, sacrifice, and commitment will create an opportunity for Bolingbrook Community Church to expose the people of this area to the amazing love of Jesus Christ. What other investment will pay those returns?

## A WORD FROM THE PASTOR

**FOR HE SAYS, "IN THE TIME OF MY FAVOR I HEARD YOU, AND IN THE DAY OF SALVATION I HELPED YOU." I TELL YOU, NOW IS THE TIME OF GOD'S FAVOR, NOW IS THE DAY OF SALVATION.**

**- 2 CORINTHIANS 6:2**

It began with 12 adults meeting in Pastor Cal and Sister Rox's living room. This group embraced a God-sized vision of what a new church could be and do in our community. Over the past seven years we have been blessed to become an integral part of the Village of Bolingbrook and Will County.

From the very beginning our vision has been to impact our community and our culture through living out our church motto "Where Jesus Is Lord, Where Love Never Fails, Where No One Stands Alone." Serving the needs of every man, woman and child that came through our open doors. Our prayer is that God will compel hundreds of families and individuals to join us on this Spiritual Journey, as we continue to believe that "Now Is The Time".

Now it's time – to recommit to God, to rekindle our passion, to reestablish His presence, to recommit ourselves to His work here and around the world.

This is a defining moment.

My prayer is that God will affect us in three ways...

**INWARD:** Ignite church-wide renewal, unity, and commitment to God.

**OUTWARD:** Impact the unchurched in our area for Christ.

**UPWARD:** Infuse the finances necessary to continue to resource God's vision.

Our leaders have stayed true to the vision of our church through the years, having had a tremendous impact in the past. Today we stand on their shoulders; we hold the key to our church's impact in the future.

When the last chapter of our history is written, I pray that each of us will be found faithful to Him!

Now Is The Time!
